& Friends* VOLUME VI

Annual Hereford Female Sale

Saturday, September 18, 2021

12 noon – Pikeville, Tennessee

97 lots...113 head

Dear Friends and Cattlemen,

We begin our fall sale season with our Annual Burns Farms and Friends Sale. The inaugural sale was in 2016, and it has grown every year. Our Friends continue to improve their herds with Burns Farms genetics, and we are impressed by their offerings this year. This sale is one of our most meaningful because it gives us the opportunity to give back to the cattlemen who continue to support our program and in turn allows them to show off their success in the registered industry. We strive to set ourselves apart with our dedication to our customers.

Our Friends this year are 5C Show Cattle, Otterbein, IN; Bended Steel Cattle, Cullman, AL; Blazer Farms, Franklin, TN; C&H Farms, Opelika, AL; Chapman Land and Cattle Co., LLC, Nunnely, TN; Copper Creek Farms, Clarksville, TN; Manna Acres, Dunlap, TN; Paquette Hereford Farms, St. Anne, IL; Perry Ranch, Madison, MS; River Circle Farm, Hartsville, TN; Southern Star Herefords, Riceville, TN; and TTW Cattle Co., Kankakee, IL.

We continue to improve and look for ways to showcase the usability of the Hereford breed. We work to offer a diverse selection of cows designed for a variety of cattle producers' needs. Whether you are looking for a show quality heifer, a future donor prospect, or a seasoned cow with proven progeny—they are all in this sale!

Please join us for a celebration of friendship and preview the cattle on the evening of Friday, September 17th. The sale will be Saturday, September 18th, with lunch at 11:00 a.m. and the sale beginning at 12:00 noon central time. Please call with any questions about the cattle, and you are always welcome to visit the farm. Tune in the weekend before the sale for a live discussion of the cattle on the Burns Farms Facebook page.

Best regards,
David and Katie Burns
 p.s.: Also join us for the Annual Burns Farms Bull & Commercial Female Sale—November 6, 2021.

SALE TERMS & CONDITIONS

Cattle will sell under the recommended terms and conditions of
the American Hereford Association, www.hereford.org.

HERD HEALTH

All cattle will be accompanied with proper health certificates for im-
mediate shipment. All females that sell bred have been checked
safe in calf by a licensed veterinarian. All females of breeding age
will be sold as guaranteed breeders. If a female is diagnosed as a
non-breeder, a written statement or phone call to Burns Farms must
be made within six months of the sale date. At that time, a credit
will be issued, purchase price minus salvage value, for a future pur-
chase at a Burns Farms Bull or Female Sale.

ANNOUNCEMENTS

Announcements made sale day from the auction block take pre-
cedence over the catalog and other printed materials. We reserve
the right to withdraw any sale lot not meeting our specifications
prior to sale time.

*All persons who attend the sale do so at their own risk. Neither the own-
ers, the sale manager nor anyone else associated with the sale assumes
liability for accidents or loss of property.*

The EPDs printed in this catalog are from the 8/16/21 report of the American
Hereford Assn. Up-to-date EPDs may be viewed any time at hereford.org

- Contender was named Reserve Grand Champion Horned Bull at the 2018 National Western Stock Show. He was our selection in the 2018 Mile High Night Sale in Denver, commanding \$65,000 at the fall of the gavel. His progeny are sale toppers across the country and have been wildly successful in and out of the show ring. He consistently throws a big hip with plenty of rib shape and dimension. He projects impeccable foot and bone structure in his progeny. Contender is the complete package and one of the most consistent sons of 2296. His dam is a full sister to the immortal MSU Revolution 4R.
- Offered by Burns Farms and Southern Star Herefords. Owned with Jensen Bros. and Rath Farms.
- Terms to be announced sale day.

- For those who like them conservatively marked with tons of pigment, this one should get your attention. This long, extended, pretty fronted bred heifer should calve with ease. With the way she is made and the mating she'll be toting, one should be able to sleep easy at night when she gets close to calving. We firmly believe 0109's best days are ahead of her with the cow power in her pedigree that contains MSU Rachel 31Z and two shots of NJW Ribeye 88X.

These full sisters selling as Lots 91 and 92 are like peas in a pod. They have the length of body, bone, soundness and eye appeal to make some waves in the show ring. Their dam, Novel 5502, is a leading donor for Burns Farms with a rich history of raising performance cattle with style. Contender keeps his offspring sound and great footed, and these girls are no exceptions.

- This female features a sterling pedigree and numerical profile. We adore the hip and rib shape she has combined with a cowy look. She has enough look to show at the Junior National next summer. Her EPD profile is loaded with performance and ties up tremendous carcass quality. Her dam is sired by the immortal Sooner and out of Beth 1L. Combined with the performance powerhouse Endure 173D, this is a surefire donor in the making.
- Ranks in the top 2% for REA; top 3% for CW, CHB; top 5% for WW, YW; top 10% for Milk, Marb.
